

# Embroidery Design Registration and Installation

Thank you for your purchase!  
The **Inspired by DIME** website has all of the designs, software and resources to make your adventure enjoyable.

**A.** The 16 digit serial number is located inside the Gold Sealed card received from the store. Use all CAPITAL letters. Dashes are required.

**B.** The system will automatically add your "Registration Number". Do not change it. Activation Number will occur automatically by the process.

**C.** Complete the form (all fields with an asterisk are required). Select the "Register Now" button.

Scroll down and "click" that you accept the terms. The registration box will automatically close.

After you register and go through the installation steps, your design collection will be placed into a specific folder located on your computer's hard drive as follows:  
C:\Dime\Designs\InspirationCollections\*"name of your purchased collection"*.
